Community Service . . .

When the school year begins, teachers expect kids to be ready. It takes a lot of tools—from paper and pens to scissors and rulers—to have a successful year of learning. Unfortunately there are many Colorado families who just can't afford the school supplies their kids require. That's why CRA is teaming up with 9News in their "Stuff for Students" Campaign.

**The CRA will be collecting supplies at the Golf Tournament on August 22nd beginning at 6:30 a.m.
Be sure to bring your donations!**

**Questions – call the CRA office at
